

PNER Used Tack Sale - Rules & Requests – Please read!

These things will make your PNER Used Tack experience a pleasure for both you and your PNER Used Tack Sale Team

✓ PNER collects 10% of all proceeds.

- If you have a “big ticket item”, PNER may opt to pay you by check, depending on the funds available at the tack sale desk.

✓ Come with your itemized list in hand!

- Form available on the PNER Facebook page and pner.net. If you aren't able to find it, please contact Cassee Terry for a copy cassee@redmondvetclinic.com
- If you show up to the used tack booth without a list and your items are not labeled, there will be tags and lists available. -----> But, please try to come prepared!

✓ Label your items clearly with your last name AND the corresponding number to that item on your prepared list

- Please use **detachable tags**, or some other sort of legible identifier that will stay attached to your item! LEGIBLE!!! Tags are available at the booth if you need.
- NO masking and duct tape. It gets VERY hard to read and it doesn't work well when we detach it and put it with your file....

✓ Saddles are allowed, please bring your own rack to display them.

Please pick up your unsold items by 3pm on Saturday

(We like to attend the fun stuff too!)

Any items left at the used tack sale will be donated to a worthy organization.

Thank you!
